

Girl Powered VEX IQ Robotics Workshop at Google

A unique hands-on opportunity to explore the world of robotics.

Girls between grades 3-6 will spend 2 days building, programming, and competing with a VEX IQ robot.

Sign up for one of two identical workshops below.

Workshop A

July 11-12, 2020

team315.org/GPIQA

Workshop B

July 18-19, 2020

team315.org/GPIQB

315
